

COMBAT COOKIE CONNECTIONS

Our Mission

We are a veteran owned and operated 501(c)3 non-profit organization. We bake and ship fresh from the oven cookies to U.S. military members who are deployed overseas with a mission to increase their morale. Being away from the comforts of home can be emotionally challenging. Sending cookies is one way to bring the feeling of home to a deployed military member.

We aren't here to sugar coat the military...oh wait, yes we are!

July 2023 - Volume 19

ATTENTION SUPPORTERS and volunteers, this letter is for you! This is our first ever handwritten letter sent to us from one of our recipients. Thank you Brigitte! This means more than you know!

Brandi had a wonderful surprise in early June at the bakery. A soldier stopped by to thank us for our mission. He was deployed with the Army National Guard recently and we had sent him and his unit a box of cookies. He happened to be out working, drove by our building, and saw Brandi unloading her truck and stopped to give us a proper Thank You!

To all the supporters and volunteers, he wanted to pass on his gratefulness. You do make a difference. And to the soldier who stopped, we appreciate you taking the time to do that. It makes a difference for us as it fuels us to keep going!
