COMBAT COOKIE CONNECTIONS

Our Mission

We are a veteran owned and operated 501(c)3 non-profit organization. We bake and ship fresh from the oven cookies to U.S. military members who are deployed overseas with a mission to increase their morale. Being away from the comforts of home can be emotionally challenging. Sending cookies is one way to bring the feeling of home to a deployed military member.

October 2026—Volume 58

The Combat Cookies family continues to make an incredible impact on our troops serving overseas. Thanks to your donations, support, and encouragement, another package of cookies, letters, and artwork has reached service members stationed in Romania.

"SSG Joshua Williamson and his company received the treats, letters, and pictures you mailed all the way to Romania! The box brought joy to him and his coworkers, and they said the treats were very yummy. Thank you for supporting the troops and spreading joy!"

This is what your support makes possible.

If you'd like to help us continue bringing a little taste of home to our troops, visit our website. Check out the **"Get Involved"** section to send letters or artwork, or sponsor a care package shipment to a deployed unit. (www.combatcookies.org)

Together, we're making a difference one box at a time.
