

COMBAT COOKIE CONNECTIONS

Our Mission

We are a veteran owned and operated 501(c)3 non-profit organization. We bake and ship fresh from the oven cookies to U.S. military members who are deployed overseas with a mission to increase their morale. Being away from the comforts of home can be emotionally challenging. Sending cookies is one way to bring the feeling of home to a deployed military member.

We aren't here to sugar coat the military...oh wait, yes we are!

August 2022 - Volume 8

In July we shipped 30 boxes to our deployed troops. We couldn't do this without all of your support! If you know of deployed soldier and would like for them to receive one of these special boxes of treats, go to www.combatcookies.org and submit their information!

thank you

Volunteer of the Month

Our volunteer of the month for August is **Kate Scott**. Kate has been volunteering her time at Combat Cookies since I began asking for volunteers. She is one of our "Super" cookie scoopers. She has the technique down! Kate is very humble and enjoys her time volunteering and isn't looking for this recognition, but she definitely deserves it! We couldn't do it without you. See you next week Kate!

This picture was sent from a mother whose son received a box of Combat Cookies. He is shown here sharing his cookies with his division on the USS Harry S. Truman.

The smiles in this picture and many others we have received are made possible by our supporters and volunteers who help us carry out our mission!

Combat Cookies would like to give a special shout out and thank you to the Ellis Family. They graciously donated \$500 to help carry out our mission. Chris served in the USMC and USAF and received cookies from us while on a deployment.

From the Ellis Family: “You have done so much for our brothers and sisters all over the world! We love what you are doing!”

We were incredibly honored to know that our box of cookies helped make Chris’ day a little brighter.

Thank you for your service, Chris Ellis, and congratulations on your recent retirement. Thank you to the entire Ellis Family!

We’re excited to unveil the new window decals at the bakery in Dayton. We are so grateful to **Blumling Design & Graphic**. Thank you to both, Tom and Tyler, for your hard work on this project.

Thank you to Trish’s Red Bird Café for sponsoring the car show on July 17th to benefit Combat Cookies. There are no words to describe the level of gratitude I have for all of our supporters! There were so many people involved in making the car show a great success. My only regret was not having enough time to thank each of you personally for showing up. The rain was not in our favor that day, but all involved were super troopers!
