

# COMBAT COOKIE CONNECTIONS

## Our Mission

We are a veteran owned and operated 501(c)3 non-profit organization. We bake and ship fresh from the oven cookies to U.S. military members who are deployed overseas with a mission to increase their morale. Being away from the comforts of home can be emotionally challenging. Sending cookies is one way to bring the feeling of home to a deployed military member.

*We aren't here to sugar coat the military...oh wait, yes we are!*

November 2022 - Volume 11

“Good morning team at Combat Cookies! I would like to thank you all for the amazing and delicious cookies you all sent to my team. We appreciate the support from your organization and love as well. Have a great day and thank you very much! SPC Bermea”

## Volunteers of the Month

Our volunteers of the month for November are **Cody and Julia Lachner**. Cody and Julia enjoy volunteering with and supporting Combat Cookies as much as they can! They have volunteered at numerous events representing Combat Cookies this year including GoodStock, Car Shows, Dayton Little League Games, and The Lafayette Aviators' National Night Out and Street Fest! They also help

out around the bakery as much as they can, along with Cody managing Combat Cookies' Social Media and Julia coordinating events and volunteers for Combat Cookies. Cody has family members in his family who have proudly served in the Army and Air Force, and Julia has three generations of family members in her family who have proudly served in the Army, Navy, Air Force, and Marines during WWII, the Vietnam Era, and more recently during the Global War on Terror. During most of her childhood, Julia's brother served many tours overseas and she knows how much a piece of home such as homemade cookies means to military members who are deployed! Cody and Julia support our nation's military and are strong supporters of Combat Cookies' mission!

## The October adventures of Cpl. Bucky and Sgt. Snacks

**Cpl. Bucky**

Cpl. Bucky enjoyed his TDY (tour of duty) to Europe and was ready to return to the states after his many adventures. His first stop was at the Dagger Complex which is the US Army Intelligence and Security Command on behalf of the US National Security Agency. Officially known as Subunit 1 and operated by USMC G Company and is one of the most important data-collections stations in Europe. One of the most moving memorials Cpl. Bucky visited was the one for WWII Conscience Objectors who stood firm for what they believed. He also met another bear willing to wear the Combat Cookie patch of a fellow soldier to show unity for all!

Sgt. Snacks was a little closer to home. He traveled to northern Michigan and kayaked on Lake Superior hoping to find a boat with cookies, since he forgot to pack his Combat Cookies before leaving Indiana. He also hiked on trails and enjoyed the fall beauty. Sgt. Snacks did have time to stop by and help Brandon Bass paint the beautiful mural that Brandon was commissioned to in the Upper Peninsula of Michigan. The mural was of Tahquamenon Falls on the side of A Piece of Paradise gift shop. Wow, these bears really get around. I wonder where they will travel next?
