

COMBAT COOKIE CONNECTIONS

Our Mission

We are a veteran owned and operated 501(c)3 non-profit organization. We bake and ship fresh from the oven cookies to U.S. military members who are deployed overseas with a mission to increase their morale. Being away from the comforts of home can be emotionally challenging. Sending cookies is one way to bring the feeling of home to a deployed military member.

Valentine's Day Bakery Event: A Heartfelt Thank You

A Grateful Thank You to Our Community

We want to extend a huge thank you to everyone who came out on Valentine's Day to support our bakery. The morning was nothing short of wild, with customers lining up outside as early as 9:30a to purchase our special Valentine's cakes and cupcakes. Your patience and enthusiasm truly amazed us, and we are beyond grateful for the incredible support you have shown our small business. We sincerely hope each of you was able to leave with something you wanted, and please know how much we appreciate every one of you.

Looking Ahead to Easter

As we look forward to our next big holiday, we hope to be able to offer special orders for Easter. This will help ensure that everyone can get exactly what they want. While we weren't able to take special orders for today's event, that didn't stop your enthusiasm or support. Thank you for your understanding and for making today such a success regardless.

Special Thanks to Our Helpers

We would like to give special thanks to Brandi's Mom, Glenda (aka - Pop Tart), Brandon, and Christina Loveless for coming out to help. Christina initially came in to shop for herself but generously stepped up to assist customers, which made a world of difference. It was a wonderful day, and we are truly overwhelmed by your outpouring of support. Thank you all from the bottom of our hearts!

Building Fund Support and Recognition

Gratitude for Generous Donations

A big thank you to the VFW Auxiliary of Clinton County for their generous \$250 donation. This gift goes directly toward our building fund as we work to keep our home and continue our mission.

We're grateful for your support!

Run for the Wall: Honoring Veterans

A huge thank you to Run for the Wall. We were honored to participate in one of their events last year, and they generously provided funding to help us purchase our current building. We're looking forward to joining them again at an upcoming event this Memorial Day.

Run for the Wall (RFTW) is an annual, 10-day cross-country motorcycle ride from Ontario, California, to the Vietnam Veterans Memorial in Washington, DC, held every May to honor veterans and raise awareness for POW/MIAs.

Recognizing Our Supporters

Congratulations to one of our top supporters, Shirley Heeter. Shirley has been giving to Combat Cookies for years, and we're proud to share that she has officially reached the Freedom Level in our building fund.

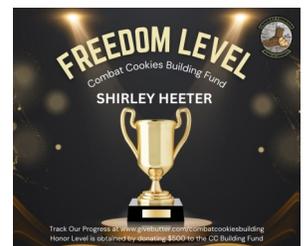

Thank you, Shirley, and thank you to everyone who continues to stand with us.

How to Support Our Mission If you'd like to become a donor or follow our progress as we work to secure a permanent home for our mission, you can visit: givebutter.com/combatcookiesbuilding

Easter Decor and Community Support

Charming Easter Decor from MW Crafts

If you're searching for delightful Easter decorations for your home or yard, look no further than **MW Crafts** (<https://www.facebook.com/mw.crafts.7>). MW Crafts offers a variety of cute options to brighten your Easter celebrations. For added convenience, you can arrange to pick up your order at Combat Cookies, where you can also enjoy a delicious treat.

Generous Contributions to Combat Cookies

Marshal has dedicated considerable time and resources to support Combat Cookies, providing not only signs but also personal financial donations. His efforts, along with those of Kim, have made a meaningful impact. A heartfelt thank you goes out to Marshal and Kim for their generosity and commitment!

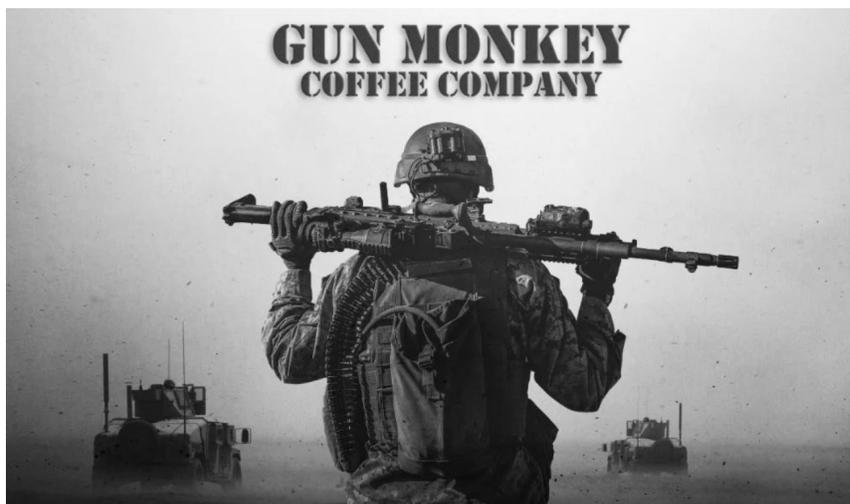

Its time to vote for **Best of The Wabash** again! We took home the Gold last year because of you, lets do it again! Thank you to those who nominated us. Here's where to find us:

1. Eat & Drink-Bakeries
2. Services-Local Nonprofit
3. Services-Veterans Organizations

While we are honored to be selected for this category, we ask that you vote for a different organization, who does a LOT more for Veterans than we do. Such as our friends at **Mary T. Klinker Veterans Resource Center . 40&8** and **Post 11** are also great organizations. We will gladly take one of the other titles, but not this one.

Also check out **JWM Decks & Patios** under Home & Garden-Decks & Fencing. They put in Patriot Plaza for us, clear our snow for free, and donated money to our organization. We appreciate them! **Trish's Red Bird Cafe** in Dayton under restaurants, who supports us big time as well!

You can vote once a day by going to: <https://bestofthewabash.com/>

Combat Cookies is teaming up with [Gun Monkey Coffee Company](http://gunmonkeycoffee.com) — and we're sending our cookies straight to them so they can add them to select coffee boxes headed to our deployed military members. It's a mission driven partnership focused on supporting our troops. Check out their mission and support another veteran owned business. They're also sending us some coffee, and we'll be sharing free samples with you soon. We are extremely excited about this partnership as it is another way to reach even more of our deployed military members!
