

COMBAT COOKIE CONNECTIONS

Our Mission

We are a veteran owned and operated 501(c)3 non-profit organization. We bake and ship fresh from the oven cookies to U.S. military members who are deployed overseas with a mission to increase their morale. Being away from the comforts of home can be emotionally challenging. Sending cookies is one way to bring the feeling of home to a deployed military member.

We aren't here to sugar coat the military...oh wait, yes we are!

June 2023 - Volume 18

"Greetings Combat Cookie Team! Thank you so much for your generosity and sending us some cookies! This was a great moral boost for everyone! We appreciate your support. Many times we do not see appreciation for the things we do and the time missed from our families. This makes things a little easier, knowing there are others that are thinking of us. Thank you again for your continued support of our troops!!"

Cookie photos from this handsome guy, aka Brandi's husband. She is ready for him to come home. For those of you wondering, yes, he does have to actually deploy overseas before we send him cookies. No rule breaking here!

Brandon says "Thank you all very much! Special thanks to the Wednesday crew for putting the extra goodies in the box"

Here's an artistic picture from one of our recipients. Thank you for sharing!

"Thank you Combat Cookies the giant box of cookies! This really brightened everyone's day!"

Spotlight Sponsor

June's Sponsor of the Month is shining a spotlight on a very dear friend of Brandon & Brandi's. This person (let's call her Sam) prefers to remain anonymous, and we respect her privacy. Sam is currently serving in the Air Force, which is where they all met. Sam is our longest running monthly donor. She has been donating every single month, as of Aug 2020. When I asked Sam for a photo for our newsletter, we agreed to maintain her privacy but yet allow a little of her life into yours. The photos Sam chose are photos that have affected her in different ways through different points of her life. They are all related to why she chooses to help others. Thank you Sam for sharing your photos and allowing us to shine some light on your generosity to Combat Cookies. I know you personally understand the sacrifices of those you are supporting on a monthly basis and we appreciate all that you do for Combat Cookies as well as the United States.

The continuing adventures of Sgt. Snacks

Has anyone been wondering what our bears have been up to? Sgt Snacks finally got to take another trip! He was on quite the adventure! He departed out of the Indianapolis airport last month on his way to the State of Washington. He took an exciting ride on an Indy car while waiting for his flight. However, the most exciting part of his flight was getting to meet a young lady. Madison is an Army National Guard Medic who happened to be at the right place, at the right time. Sgt Snack's flight had to make an emergency landing before making it to it's final destination. A man on the flight had a medical emergency and Madison's quick reaction might have helped save the man's life! Sgt Snacks was on standby in case she needed additional help, but she had it under control. Way to go Madison! Everyone please give a shout out to Madison!

Sgt Snacks enjoyed his time in Washington. He was able to see a massive tree in the Olympic National Forest. While he feels very at home in the woods, he slowly removed himself to continue his journey.

He also visited the childhood home of Kurt Cobain in Aberdeen, Washington. Snacks is too young to remember Cobain, but enjoys listening to 90s grunge bands from time to time.

Sgt. Snacks took a spin on Bella's truck from Twilight in Forks, Washington.

He then moved on to Sequim, WA where he was feeling the military appreciation love from a couple of fellow bears.

Sgt. Snacks had his snack ready and was waiting to board the ferry from Kingston to Edmonds. He told the others waiting to board how much better a Combat Cookie would be!

He's a happy bear and now back home again in Indiana.
